Dear Mr Shah,

I'm writing to thank you for your kind words of congratulations on my appointment as NSW Premier.

Your words of support mean so much, and I am confident our State's future will be brighter than ever, because of the extraordinary people who call it home.

For now, our priority is to safely bring the NSW economy back to full capacity, getting people back in jobs, children in school, businesses back open, and communities thriving again.

Then we will get back to the work already well underway, of creating better opportunities for current and future generations, delivering world-class services in every community, and supporting families as they secure a better future for their children.

The challenge ahead is immense, but I believe the future is bright, and the strong social and economic foundations our Government has laid mean we are well placed to bounce back stronger than ever.

So I am determined to work every day to build a better future for NSW - a future filled with opportunity for every person who calls our State home.

I deeply value your support in this endeavour, and thank you once again for your kind correspondence.

I look forward to working with you in the coming months. Should you wish to contact the office, please call the Office on 02 7225 6000.

Yours sincerely,

Chris Minns MP
Premier of New South Wales
